This character has a Medium line count (19 lines)

MONOLOGUE

Oh, Matilda. What a marvelous little mind. The way she weaves her stories, the way she paints pictures with words... I could sit and listen forever. It's a shame, really. She should be cherished, nurtured. But she comes here, to the library, like a secret visitor in the night. As if her world does not have room for her magic. Well, I have room. I will always have a place for her stories. Because some stories deserve to be heard.
