CHARACTER

Mrs. Wormwood

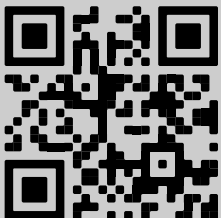

Mrs. Wormwood is Matilda's vain and shallow mother, obsessed with looks and dancing rather than her daughter's education or well-being.

This character has a Medium line count (24 lines)

MONOLOGUE

Do you know how hard it is to be fabulous? No one appreciates the effort! The hair, the nails, the dance classes - it all takes work! And what do I get? A husband who's always scheming, a son who's barely awake half the time, and a daughter who - ugh - reads! Reading! Can you imagine? She could be learning how to wear a dress properly, how to pose, how to really get ahead in life. But no, she'd rather waste time with books. Well, not me. I have a life to live, and I plan on enjoying every second of it!
