

  **GENIE (Main character)**

Tone: comedic, fast, charismatic

Monologue: “Let me tell you something about being magical: it’s exhausting. Everyone thinks it’s all sparkles and jazz hands, but no—people rub a lamp and suddenly it’s ‘Genie, fix my life!’ No ‘hello,’ no ‘how’s the lamp?’ But you... you’re different. You actually talk to me. And maybe that’s why I’m rooting for you. Because even with all my power, I’ve never had what you have—freedom. So go on, kid. Make your wish. Let’s shake things up and make a little history.”
