

## **JASMINE (Main character)**

**Tone:** strong, frustrated, yearning

**Monologue:** “Everyone keeps telling me what my life should look like. Who I should marry, how I should behave, what my future must be. But no one ever asks what I want. I’m surrounded by walls—beautiful walls, yes—but they’re still walls. I want to see the world for myself, make my own choices, breathe air that isn’t chosen for me. I’m not a prize. I’m a person. And I’m ready to step beyond the palace gates, even if it means stepping into the unknown.”
